

Pet Page

DID YOU KNOW?
 Domesticated for more than 10,000 years, the dog was one of the first animals domesticated by humans.

CAPS protests against Los Angeles pet store chain

More than 70 Los Angeles Unified School District students joined the Companion Animal Protection Society (CAPS) on Saturday, April 17, in a demonstration against Barkworks, a chain of pet stores in Los Angeles.

The protest took place at the Westside Pavilion, located at 10850 W. Pico Blvd. in Los

LAUSD students joined the Companion Animal Protection Society in an anti-puppy mill demonstration against Barkworks. Photo by strangestangels.org

11818 Teale St. Culver City at Mesmer, just off the 405 Frwy

Angeles. The mall houses a Barkworks on the third floor.

CAPS claimed in a press release issued prior to the event that "Barkworks sells dogs from inhumane commercial breeding facilities in the Midwest." According to the

organization, USDA inspection reports of Barkworks' breeding operations "reveal serious violations of the Animal Welfare Act."

Also according to the press release issued by the organization, the silent vigil

march was organized "to let the public know the truth behind the pretty storefront at Barkworks."

For more information about CAPS, log on at www.caps-web.org.

ADOPT A PET We need forever homes!

Mia

Mia is young and healthy and absolutely loves people of all ages, including children. She is one of the sweetest Boxers we have ever met! She gives hugs and kisses on command and loves to cuddle. If you want a dog that is housebroken and can be trusted with small children, then Mia is your gal! Call 310-967-4637 or email: tmhrescue@gmail.com.

Buddy

Buddy is a sweet, shelter-rescued 10 lb. Boodle! He is extremely affectionate and loves to be cuddled. He is very smart and easy to train (learned sit, stay, out, come, down in a few days after being with me but of course needs reinforcement). He loves dogs, cats and people. Please contact Renee at (562) 698-1822, e-mail bookworm2@earthlink.net.

Puck

Puck is a handsome 4-ish orange tabby who is very, very social, loves his people and dogs. Tested positive for Feline Leukemia Virus (FeLV) & should be an ONLY cat or live in a home with another cat with FeLV. Talk to us about him-we want his home to be as special as he is. See more and watch their videos at: www.mollymuttsandmeows.org

Emperor

Emperor loves to talk and enjoys people of all ages, but would prefer to be the only feline in the house. He is a big boy, but still loves curling up in laps of all sizes! Come meet him at the special LA's South Bay Pet Adoption Center (where Culver City animals are housed) at 12910 Yukon Ave. in Hawthorne or call: 310-676-1149.

Pretty Girl

PRETTY GIRL is a Siamese mix that may be just a little shy until she gets to know you, but she is really sweet and good with other cats. Visit us to find your special friend, Saturday and Sunday, noon to 4:00pm at the Sentinel Feed & Pet Supplies at 7600 S. Sepulveda Blvd. in Westchester. Email: PURRfectmatch@hotmail.com or call 310-328-9723.

Kashmir

In the summer of '09 Kash was rescued from living in the scrub of a local county park. Has been in foster care since then & is just an amazing girl. Plays w/Chihuahua friends, loves belly rubs, car rides, long leash walks, obedience trained. She "IS" your new BFF! See more and watch their videos at: www.mollymuttsandmeows.org
